ORDER GRANTING REQUEST FOR TELEPHONIC HEARING

The Tribunal, having given due consideration to the file in the above-captioned case finds a hearing is scheduled to commence in this case on October 18, 2018 and a request has been filed by Respondent to allow the requesting party to participate in that hearing by telephone. Although the opposing party has not filed a concurrence with the request, the opposing party has also not filed an objection to the request. Further, the requesting party's attendance in person is not necessary for the resolution of the case and there is telephonic equipment at the hearing site to accommodate the request. As such, good cause exists to allow the requesting party only to participate in the hearing by telephone unless a request is or has been filed by the non-requesting party and granted allowing the non-requesting party to also participate by telephone. Therefore,

IT IS ORDERED that the Request for Telephonic Hearing is GRANTED FOR THE REQUESTING PARTY ONLY.

IT IS FURTHER ORDERED that the Tribunal shall utilize the telephone number on file for the requesting party to initiate the requesting party's participation in the hearing. If the telephone number on file is not the correct telephone number, the requesting party shall submit a Telephonic Notification Form to the Tribunal indicating the telephone number to be utilized to initiate the requesting party's participation in the hearing. The Telephonic Notification Form is available on the Tribunal's website at www.michigan.gov/taxtrib.
